Sir,

Subject: Installation of Bus Stops.

I would like to draw your attention that many patients in front of the hospitals in Lahore are facing a lot of trouble and problems due to the non availability of bustops (stopping arrangement) in front of the hospitals. Due to this problem our Welfare Trust has made arrangements to install the covered bustops in front of the following hospitals:

1. Services Hospital Jail road, Lahore.
2. Ganga Ram Hospital Queen Road, Lahore.
3. Govt. General Hospital Benazir Road, Lahore.
4. Gulab Devi Hospital.

We assure you that there will be no hindrance in traffic system or blockage of any space of the road or footpath.

Kindly give us permission to install the covered bus stops in the welfare of the public. I will be obliged.
